

INFORMED CONSENT AGREEMENT

Your dentist has recommended the DenToGo Vitals Check system for the assessment of your dental, periodontal and orthodontic needs. Although dental treatments can lead to a healthier and more attractive smile, you should also be aware that any treatment have limitations and potential risks that you should consider before undergoing a treatment.

SERVICE DESCRIPTION

DenToGo Vitals Check is an assessment tool in dental, periodontal and orthodontic care. The DenToGo Vitals Check application enables a patient to submit records to a dentist using smartphones and a cheek retractor for the purpose of assessing their dental health and reviewing possible treatment options. With the help of the dentist, the DenToGo Vitals Check application guides the patient through the process of taking the scans. When all images are taken, they are automatically uploaded to the DenToGo Vitals Check doctor platform. In no way can DenToGo Vitals Check replace the expertise of your dentist. Therefore, you still need to follow the recommendations of your dentist. Please be aware that DenToGo Vitals Check does not provide any clinical diagnosis and is intended to be used under a dentist's care only. To discuss your treatment in detail, please talk to your dentist.

BENEFITS

Patients

- Objective and comprehensive assessment of their dental, periodontal and orthodontic needs
- Overview of possible treatment options

Dentists

- Comprehensive assessment their patient dental, periodontal and orthodontic needs
- Engagement tool to discuss possible treatment options with the patient

RISKS AND INCONVENIENCES

Like other dental assessments, the use of DenToGo Vitals Check product(s) may involve some of the risks outlined below: (i) In rare instances, irritation may occur due to the cheek retractor wear; (ii) In rare instances, allergic reactions to the cheek retractor may occur; (iii) In certain instances, the upload of the records may not occur

PERSONAL DATA PROCESSING

DenToGo Vitals Check takes the protection of the Patient's personal information very seriously. DenToGo Vitals Check processes the following Patient's personal data:

Sensitive personal data

- First Name, Last Name, Age
- Email address, Phone number, Mailing address
- Type of device used by the Patient
- Device Id
- Pictures of the Patient's mouth

DenToGo Vitals Check does not collect nor process the personal data from children under the age of 13, without the explicit consent from a parent or guardian.

DenToGo Vitals Check processes the Patient's personal data for the following purposes:

- Perform the services described in the Service description
- Implement validation tests to ensure service continuity
- Improve the quality of service
- Implement clinical studies
- Develop new functionalities to increase the Patient's benefits in using DenToGo Vitals Check

DenToGo Vitals Check follows data minimization principles, and has set up the following measures:

- Pseudonymization and anonymization techniques whenever it is technically feasible
- Personal data access is restricted to the sole employees that need to access personal to perform the services described in the Service description. A regular review of access rights is performed by the IT department to ensure that.

DenToGo Vitals Check has implemented state of the art IT security measures to protect the Patient's personal data, and regularly performs penetration tests to detect any breach vulnerability. In order to achieve the above-mentioned purposes, DenToGo Vitals Check shares the Patient's personal data with the following third parties:

- Certified dentists and/or orthodontists
- Organizations that employ certified dentists and/or orthodontists

- Research centers
- Certified health data hosting companies
- Companies that use DenToGo Vitals Check's system
- Subsidiaries of DenToGo Vitals Check
- Companies that provide processing tools to DenToGo Vitals Check

In order to ensure that these transfers are done in the most secure way, DenToGo Vitals Check verifies that these third parties have taken the necessary measures to comply with the data privacy legal requirements.

Some of these third parties may be located abroad or may host the Patient's data abroad. For these specific cross-border data transfers, DenToGo Vitals Check is setting up specific data privacy contractual clauses with these third parties, to ensure that these third parties apply protective measures to the Patient's personal data that respect the Patient's country's legal requirements.

At anytime, the Patient can contact DenToGo Vitals Check in order to exercise the following rights:

- Right to access to Patient's personal data
- Right to modify or erase the Patient's personal data, subject to the legal requirements applicable in the Patient's country
- Right to restrict to personal data processing
- Right to oppose to personal data processing
- Right to personal data portability

DenToGo Vitals Check only keeps the Patient's personal data for the duration set by the legal requirements in force in the Patient's country.

INFORMED CONSENT

I have been given adequate time to read and have read the preceding information describing dental assessment using the DenToGo Vitals Check system. I understand the benefits, risks, alternatives and inconveniences associated with the assessment as well as the option of not taking the assessment. I have been sufficiently informed and have had the opportunity to ask questions and discuss concerns about dental assessment using DenToGo Vitals Check support with my dentist.

I acknowledge that my dentist and DenToGo Vitals Check have not and cannot make any guarantees or assurances concerning the outcome of my assessment and treatment recommendations.

I understand that DenToGo Vitals Check is not a provider of medical, dental or health care services and does not and cannot practice medicine, dentistry or give medical advice. No assurances or guarantees of any kind have been made to me by my dentist nor by DenToGo Vitals Check.

I authorize my dentist to release my medical record and medical information in his/her possession: (i) to other licensed dentists/orthodontists and organizations employing licensed dentist/orthodontists and DenToGo Vitals Check, its representatives, employees, successors, assigns, and agents for the purposes of providing a more accurate assessment and/or treatment recommendation. (ii) for educational and research purposes. I understand that use of my Medical Records may result in disclosure of my "individually identifiable health information" as defined by the Health Insurance Portability and Accountability Act ("HIPAA"). I hereby consent to the disclosure(s) as set forth above.

I will not, nor shall anyone on my behalf seek legal, equitable or monetary damages or remedies for such disclosure. I acknowledge that use of my Medical Records is without compensation and that I will not nor shall anyone on my behalf have any right of approval, claim of compensation, or seek or obtain legal, equitable or monetary damages or remedies arising out of any use such that comply with the terms of this Consent.
